TO WHOMSOEVER IT MAY CONCERN

This is to certify that Mr. Bobby Choudhary worked with us from 4th November 2025 to 4th May 2026 on a full-time basis. At the time of his work, he was designated as Software Engineering Intern – Python. He assisted in various tasks.

His roles and responsibilities are as follows

1. Developed and maintained Python-based applications and automation scripts.

2. Assisted in database management, data processing, and API integration tasks.

3. Performed software testing, debugging, and issue resolution to improve application performance.

4. Collaborated with development teams in coding, documentation, and project implementation.

5. Used Git and software development best practices for efficient code management and deployment.

During the period of his assignment, we found him persistent, hard-working and eager to learn. We wish Mr. Bobby Choudhary all the best in his future endeavours.
